Treasurer Report-

Linda Jones reported current account balance around \$2000 with outstanding expenses of 1K for scholarship payouts and incoming revenue of \$900 from LLI for the Country Run. Linda to work with Donna on T shirt sale discrepancy. Scott and Linda to prepare budget for upcoming season. Eric Mackey mentioned we may need to budget for a track event clock if we can't find a better solution with current equipment.

Fundraising Update-

Cindy Goodrich was volunteered to be our concession stand coordinator. Scott will get with Cindy on upcoming opportunities including a couple Fall football games.

Ice Cream Social-

Donna will work with Greg to reserve commons area for 8/26 joint parent meeting and ice cream social. Team Captains will serve. Susan Locklear volunteered to deliver ice cream and supplies. Linda, Kim Tedford and Dorinda Smith will work the membership booth prior to Greg's meeting as well as during social. Lou Hervey will send advance email to parents promoting event.

Schedule-

Lou presented current Fall XC schedule.

Banquet-Donna suggested we use SCMS this year and will talk to Greg. If we do we will need to provide tables.

Race Day-

Ann Day will bring a tent for the first three races for the Booster Club to meet. Will need volunteers to bring coffee and donuts.

Summer Camp-

Scott mentioned not all money has been collected from runners attending this summer as well as Greg having to pay \$100 cleaning bill. Gavan will work with Josh to generate the list of who still owes. There were some communication glitches surrounding the additional \$50 due that appear to be the main reason for the collection issue. BC will try to help collect the balance for Greg and Josh.

Misc-

Scott mentioned LLI will be hosting a homecoming golf event on 10/26. We will be expected to help sponsor this fundraiser.

Next two meetings will be 8/26 and 10/5.

Meeting adjourned at 8:30.

Respectfully,

Lou Hervey
