

Meeting Minutes for Booster 2/4/14

Meeting called to order by John Ruhala at 7:32 pm

Motion to approve minutes of previous meeting - Kari Tiff, 2nd by Libby Hartter

Treasurer Report – We have a healthy \$15,000 balance. Stefani would like to get the track athletes black dri-fit t-shirts and Greg would like to get the athletes, who don't already have them, wind breaker sweats with the booster funds. Approval will be sought at a later date, when cost has been determined. Other costs not yet taken out are for athletes that have qualified for Texas Relays Meet in March.

Kroger cards – Not quite the money maker that we had last year because of the way that Kroger is divvying up the funds this year. Linda is looking into other stores that may offer a similar deal for our team. Anyone that knows of an offer please let us know.

Membership – Families continue to sign-up for booster membership. Received two more tonight with another on the way.

Spirit Wear – Solid deadline for spirit orders is February 17th. Also considering that day to be the tax free day as well. Motion approved by Libby Hartter, 2nd by Linda Jones.

Track Banquet – date change to May 13th! Camille will be seeking volunteers as we get closer.

Special Olympics – April 25-26 on the LHS track. Need parent volunteers!! Athletes are also encouraged to participate in this very rewarding event. (Same day as our regional track meet, so not all will be able to attend) Contact Cyndi Murchison 214-943-9981 ext. 27.

Scholarship Representative for Track – Linda Jones volunteered for this.

Banners – Cross country banners are finished and here! Greg is looking for a place to hang them. (It was suggested that the front of the building was open, ha) It was also noted that basketball has a **runner-up banner**...so Greg stated he would like to order a runner-up banner for boys '13 cross country.

Country Run – May 17th, LLI has a chairperson, Tonya Cooper...but track/XC needs a representative for the event. Anyone interested?

Meeting adjourned at 8:18 pm
