

Hey Coach,

I'm not getting your E-mails! What should I do?

Lovejoy coaches build their athletic email groups based on your information as listed in Powerschool for the fields named: Father_Email and Mother_Email.

Please update your information via the Powerschool Parent Portal.

Go to <http://powerschool.lovejoyisd.net/public/>

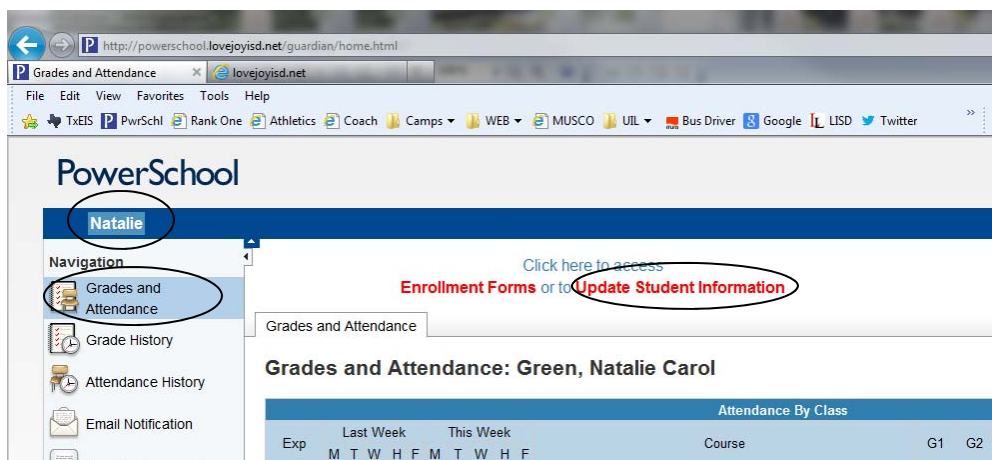

Login using your parent ID and password.

If you don't know your login ID, please contact the Athletic Office.

If you have multiple children attending LISD, select the appropriate child's **name** on the dark blue toolbar.

Under Navigation, make sure you are on the **Grades and Attendance** tab.

Select **Update Student Information**

Update the packet called **Parent/Guardian Information for Primary Household**.

Then **SUBMIT**.

Thank you!
